

## Puzzle-Piece Art

By D.A. Woodliff

### What you need:

- pencil
- white poster board
- jigsaw-puzzle pieces
- glue
- Paint
- crayons or markers

### How to make it:

1. Draw a simple picture on white poster board.
2. Find an old jigsaw puzzle that is missing a few pieces. Sort the pieces into color groups. Glue them onto your picture. Or paint the backs of the pieces, then glue them on with the painted sides up.
3. Color a scene around your puzzle-piece picture.
