

Frog Said

By Clare Mishica

"Oh no!" said  Frog. "My new  hat just blew away."

 Dragonfly heard  Frog, but not very well.

"Hurry,  Mouse," said  Dragonfly.  "Frog said that a blue  rat just flew into the  hay."

 Mouse heard  Dragonfly, but not very well.

"Hurry,  Turtle," said  Mouse.  "Dragonfly said that **2** two  cats just fell into the  bay."

 Turtle heard  Mouse, but not very well.

"Hello,  Frog," said  Turtle.  "Mouse said that it's your birthday today. I found this  present for you."

"It's not my birthday," said  Frog, but he opened the  present anyway.  Frog laughed. "Thank you,

 Turtle. You found my missing  hat!"
